CITY
ENGINEERING COLLEGE

1. Introduction to Academic Audit

The main objective of an academic audit is to ascertain departments have put in place adequate and effective quality assurance mechanisms in terms of strategies, procedures, their applicability, that ensures quality inputs and consequently quality outputs; their agility in ensuring continuous improvements along with review of available resources, their optimal utilization, additional resource requirements for providing quality education.

An increasingly prevalent trend in the higher education scenario in India in recent years is the willingness and drive by institutions and universities to introduce systems and practices in their work environment and establish high standards and benchmarks to guide their performance in keeping with the institution's vision and mission. More and more colleges of Institutions and universities in the country volunteer to subject their activities and performances to be critically reviewed and audited by national and international agencies. Accreditation boards play a vital role in ensuring quality assurance, encouraging accountability, and promoting continuous improvement across various sectors. Their work contributes to building trust, enhancing performance, and elevating standards within accredited organizations. Creation of internal quality assurance mechanisms that help to inculcate the gains made from such efforts in the day-to-day work ethics and organizational culture of the institution is an indispensable requirement in any quality assurance scheme. The Internal Quality Assurance Cell (IQAC) advocated by NAAC belong to such recommendations.

Internal Audit: The IQAC undertake AAA to monitor and evaluate the institutional process through systematic internal and external reviews. The AAA is a peer review process including a self-study and a site visit by peers from inside and outside the institution. The purpose of an academic audit is to encourage programs, departments and the institution to evaluate their quality processes and standards based on predetermined benchmarks and to suggest activities required to produce, assure, and regularly improve the quality of the whole system in place including curricular and co-curricular programmes and activities and the infrastructure and support services.

- Library with Wi-Fi facility
- Sports ground facility

B. Library Books: E-Resource has been subscribed to LIBSOFT

5. Summary of Report:

- The evaluation process followed in the laboratory is good.
- Number of Text book volumes at library is well maintained.
- Placement activities and placement related training are good.
- Admission process is well maintained.
- Academic Management is focused to achieve the learning outcome.
- The curricular and the co-curricular activities are well balanced in the Teaching Learning environment to provide holistic education to the students.
- Teaching Learning and Evaluation has rigor and vitality.
- IQAC provides Faculty enrichment programs and Orientation Programs for students.
- IQAC also conducts feedback on the Governance and Leadership along with faculty members.

6. Overall Assessment:

Institutional overall Academic audit was conducted in well organized and transparent manner.

- Uniform for students is provided.
- Student Monitory Record has to be standardized and maintained in the same format by all departments.
- Student Support Services:

National Service Scheme (NSS) unit: Students' engagement extends to diverse initiatives, including organizing blood donation camp and actively participating in the Swachh Bharat (Clean India) campaign, planting tree samplings on Environment Day. These activities demonstrate their commitment to community welfare and environmental sustainability. Through these efforts, students not only contribute positively to society but also cultivate a sense of responsibility and leadership among themselves.

Alumni Association: The Alumni Association of the college is actively engaged in enriching the academic journey of students through various initiatives. In addition to establishing an endowment fund for recognizing curricular achievements (Toppers of the Year), the Association also extends support in crucial areas such as placement opportunities, pre-placement activities, and facilitating internships. These efforts demonstrate the Association's comprehensive commitment to nurturing the overall development and career readiness of the student community.
